A Golden Wedding

means that man and wife have lived to a good old age and consequently have kept healthy. The best way to keep healthy is to see that your liver does its duty 365 days out of 365. The only way to do this is to keep Ballard's Herbine in the house and take it whenever your liver gets inactive. 50 cents per bottle. Sold by St. Lucie Drug Co.

The Proposed Prohibition Amendment

Article XIX—Section 1. The manufacture and sale, barter or exchange, of all intoxicating liquors and beverages, whether spirituous, vinous or malt, are hereby forever prohibited in the State of Florida, except alcohol for medicinal, scientific or mechanical purposes, and wine for sacramental purposes; the sale of which alcohol and wine for the purposes aforesaid shall be regulated by law.

Section 2. The legislature shall enact suitable laws for the enforcement of the provisions of this article.

Section 3. This article shall go into effect on the first day of July, A. D., 1911.

(Note—This amendment will be voted upon by the people of Florida at the November election of 1910. If it fails to receive a majority of the votes cast on it, the present local option article of the constitution will stand. If it receives a majority of the votes cast on it, the bar rooms will go out of business on July 1, 1911.)

Starved to Death

is what could truthfully be said of many children who die. They have worms, poor little things—they don't know it and you don't realize it. If your child is cross, fretful, gassy complexioned and loses weight for no apparent reason, give it White's Cream Vermifuge, you will be surprised at the results and how quickly it picks up. Sold by St. Lucie Drug Co.

The city of West Palm Beach is about to change its system of lighting, adopting the new tungsten lights instead of the arc lights. By the new method every street in the beautiful Cottage City will be completely illuminated as the lights will be strung at close intervals instead of the street corners as heretofore. Several cities in Florida are wisely doing away with arc lights and substituting therefor the tungsten lamps.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and cleanses the system. They offer one hundred dollars for any case it fails to cure. Send for circular and testimonials. Address: F. J. CHENEY & CO., Toledo, Ohio. Sold by Druggists. Take Hall's Family Pills for constipation.

WHAT IT MEANS

Many people do not know what a Bank's Capital is for, or the difference between a bank of little or no capital and one with a large capital and surplus.

A BANK'S CAPITAL

is the fund that protects its depositors from loss; therefore the larger it is the greater the protection the depositor has. This Bank has a

Capital of	- -	\$130,000
Surplus fund of	- -	\$130,000
Undivided profits of		\$ 28,000
A Total of	- -	\$288,000

This means that we must lose \$288,000 before our depositors could lose a cent. This protection is for YOU.
